EXPERTISE

Lawyer Ye worked for more than ten years in one of the Fortune 500 multinational enterprises, being fully responsible for legal affairs and risk management, labor and personnel, governmental public relations and other organizational management in China (including companies invested by the said multinational enterprise and its enterprise group in China). He has rich experience in corporate legal affairs and internal management. In addition, he has served a number of large and medium-sized domestic and foreign enterprises, such as Sumitomo, Matsushita, Marubeni, Sojitz, Mitsubishi Electric, Mitsubishi Heavy Industry, Fujitsu and other large multinational enterprises, as well as CITIC Group, the People's Education Publishing Group, People's Daily Online and Three Gorges Group, and was deeply trusted by the clients.

The projects represented by Lawyer Ye include: grading, filing and consulting services of classified protection in relation to cybersecurity for a multinational enterprise (including the consultation on the rectification of information system technology and operation and maintenance management corresponding to classified protection), legal consulting service of data compliance and cross-border data under the Cybersecurity Law for a multinational enterprise, consulting services of trade compliance, sales contract and dispute resolution for a state-owned trading company, legal services related to the establishment, reorganization and liquidation of invested enterprises in China by several Fortune 500 enterprises, compliance investigation on the establishment of a joint venture for automobile parts sales of a multinational enterprise in China, legal consultation on copyright disputes of a large publishing enterprise, and consulting services for daily business management of a joint venture involving labor and personnel.
