PRACTICE AREAS

Real Estate and Construction, Private Equity and Industrial Funds, Dispute Resolution

EXPERTISE

Li specializes in real estate and construction, private equity and industrial funds, corporate investment and financing, mergers and acquisitions, and dispute resolution. Li has provided perennial legal advisory services to multiple large enterprises and government agencies, assisting clients in improving compliance management systems and establishing compliance systems. In the fields of real estate and construction engineering, Li has participated in multiple legal service projects related to real estate investment and financing, legal due diligence and engineering construction. In the fields of finance and private equity funds, Li has participated in multiple domestic asset-backed securities business projects and has experience in providing comprehensive legal services in relation to the establishment, performance verification and post investment key verification of parent and subsidiary funds for the national small and medium-sized enterprises. Li has also provided specialized legal services in relation to the registration of multiple domestic private fund management institutions, fund filing and abnormal verification. In the field of dispute resolution, Li has over ten years of experience in civil and commercial litigation. Through professional legal services and rich litigation experience, Li strives to maximize the clients' rights and benefits and recover losses for clients, and has received unanimous praise from clients.

Li has been awarded the honorary title of "Chaoyang District Outstanding Communist Party Member" multiple times in Beijing, and has been specially invited to participate in the "Moment of Life" program launched by Beijing Television Life Channel, and participated in the "Legal Lecture" section of the program as the main speaker, providing case analysis and on-site Q&A.
